Issue 85 December, 2017

PRESIDENT'S REPORT

ROZ DAVEY

Well, the calendar says December, so that means that 2017 has all but gone. It has been a year filled with both joy and sadness for our members, just as we have said goodbye to some of our members and friends, we have been able to share in the joy of new grandies or great grandies of our own or of our members and friends.

Bridge has been fun and well attended, our competition winners have been varied and always gracious in their success.

Our fundraising for Bridge for Brains, Cancer, Silver Chain and the Salvation Army has, as always, been amazing and how wonderful to hear from the Silver Chain that we have raised over **\$60,000** for them over the last 17 years.

To our major award winners well done on a fantastic effort:

Bill Chalmers Student Award	Helen Mazengarb
Mona Walker Encouragement Award	Michael Fulwood
Brady Merit Award	Nicky O'Connell

What about our Christmas party – what a wonderful day filled with laughter, good food and just a feel good buzz, I think the photo's tell it all.

I will take this opportunity to wish you and yours a Very Merry Christmas and a Healthy and Happy New Year, please keep safe.
